About This Game

Rhythm Game x Roller Coaster!

Riding the rhythmic rails of success from smart phone, into the arcades, now GROOVE COASTER arrives at full Steam! Staying true to its core concept of simplicity of play + exhilarating experience, the Steam version is better than ever, with 53 original tracks included from various game music composers.

Get ready to ride a roller coaster of sound and light through a universe of music!

Key Features

- Thrill to a full 360 degree roller coaster ride.
- Intuitive controls: just time your input to the beat (keyboard & controller compatible).
- Play your way! Simple, single-handed "Casual" mode or two-handed groove-synced play in "Arcade" mode.
- Choose from 3 aspect ratios for landscape displays: 16:9, 4:3 and 1:1.

- Get the full-screen, full-on arcade experience with a vertical display!
- Select up to 10 of your favorite songs and play in non-stop mode!
- Full support for Steam controllers!
Use your PlayStation4, Xbox and other popular controllers too.
> Check the guide [here](#).
- Mix and match between 39 avatars and 6 items to find your own style!
